Remuneration to KMPs and other employees

The policy on remuneration for KMPs and other employees is as below: -

1. Fixed pay

The remuneration and reward structure for employees comprises two broad components — annual remuneration and long-term rewards. The Committee would determine the remuneration of the Directors and formulate guidelines for remuneration payable to the employees.

These guidelines are as under:

a) Annual remuneration

Annual remuneration refers to the annual compensation payable to the employees of the Company. This may comprise two parts - a fixed component, and a performance- linked variable component based on the extent of achievement of the individual's objectives and performance of the business unit. The performance-linked variable pay will be directly linked to the performance on individual components of the performance contract and the overall performance of the business. An employee's variable pay would, therefore, be directly dependent on key performance measures that represent the best interests of shareholders.

The objective is to set the total remuneration at levels to attract, motivate, and retain high-caliber, and high potential personnel in a competitive global market. The total remuneration level is to be reset annually based on a comparison with the relevant peer group, market conditions and practices applicable for the employees in India.

Minimum remuneration to Managing Director/Whole Time Director

If, in any financial year, the Company has no profits or its profits are inadequate, the Company shall pay remuneration to its Managing Director in accordance with the provisions of Schedule V of the Companies Act, 2013 and if it is not able to comply with such provisions, with the previous approval of the Central Government.

Remuneration to Non-Executive / Independent Directors

1. Remuneration:

The remuneration payable to each Non-Executive Director is based on the remuneration structure as determined by the Board, and is revised from time to time, depending on individual contribution, the Company's performance, and the provisions of the Companies Act, 2013 and the rules made thereunder.

The remuneration to the Non-executive Directors (including Independent Directors) may be paid within the monetary limit approved by shareholders, subject to the limit not exceeding a) 1% of the net profits of the Company, if there is a managing director or whole-time director or manager b) 3% of the Net profits in any other case computed as per the applicable provisions of the Companies Act, 2013 and any rules thereunder.

This policy shall be reviewed by the Nomination and Remuneration Committee as and when any changes are to be incorporated in the policy due to change in Act or as may be felt appropriate by the Committee.
